Hey Jim,

Neither Scott nor Downey had a chance to look at this yet so there may be some edits later tonight, but here's the biweekly ppt as it stands if you want to see it before the meeting tomorrow.

Best,  
Caroline

## Hurricane Response & Recovery – U.S. Virgin Islands

Met with FEMA Administrator Brock Long on Friday, September 22.

Response underway. Recovery starting. (First meeting held this week.)

Hurricane Irma/Maria Response: 135 DOI Personnel supporting the response under FEMA Mission Assignments. 89 of those are Law Enforcement officers providing assistance in PR/VI. They are DOI assets under direct control of FEMA/ATF. There are other DOI employees working in PR/VI for organic DOI missions.

Quick Response Teams deployed to Puerto Rico and USVI.

QRT 1: BLM - 25

QRT 2: FWS Refuge – 13, BLM – 4, NPS – 4, OIG – 2, OLES – 1

QRT 3: BLM 13, USPP 7, OLES – 3, NPS – 2, OIG - 1

QRT 4: BIA/Tribal - 14

Virgin Islands is still in RESCUE PHASE:

- Immediate needs to evacuate residents w/chronic medical needs
- Provide food, water, personal essentials to residents
- Clear debris from the roads
- Restore internet and cell service
- Restore electricity
- Stabilize the thousands of residential, commercial, and governments buildings that have lost roofs or otherwise been compromised.

The hurricane season in the Atlantic typically lasts through November.

# Assistant Secretary Insular Areas

## Current Operations – Grant Announcements 2018

Closing out 2017 grant operations.

OIA Discretionary Grants for 2018 to open on **www.grants.gov** the week of October 16, 2018.

This can serve as a conduit for emergency grant requests from the U.S. Virgin Islands.

OIA Funding will be provided under the short-term **continuing resolution** (Public Law 115-56) which ends December 8, 2017

# Assistant Secretary Insular Areas

## Current Operations – Territories

- AMERICAN SAMOA – In mid-October, OIA will award its first grant, an operational subsidy to the American Samoa Government, of approximately \$4 million, to support the local Department of Education, the hospital, and the judicial system.
- CNMI – The CNMI currently has an allowance of CW-1 visas of 12,998. Even with the recent enactment of H.R. 339, allowing an additional 350 CW-1 visas, it is well under the CNMI's estimated need of 18,000 workers. Note: The additional 350 CW-1 visas expire in four days. We continue to oppose DHS' plan to reduce CW workers to zero by 2019.

# Assistant Secretary Insular Areas

## Current Operations – Freely Associated States (FAS)

Follow-Up from Secretary's Meetings with Two Presidents, Federated States of Micronesia and Republic of the Marshall Islands:
